Dear Editor,

RESUBMISSION OF ACCEPTED MANUSCRIPT (ID: 635-1127-1-RV)

I am enclosing herewith the ACCEPTED manuscript entitled “MECHANISM ACTION OF PLATELETS AND CRUCIAL BLOOD COAGULATION PATHWAYS IN HEMOSTASIS” to be published in “INTERNATIONAL JOURNAL OF HEMATOLOGY-ONCOLOGY AND STEM CELL RESEARCH”. With the submission of this manuscript I would like to undertake that the above mentioned manuscript has not been published elsewhere, accepted for publication elsewhere or under editorial review for publication elsewhere; and that my Institute’s (USM) representative is fully aware of this submission. Type of this submitted manuscript is review article. The research project was conducted under my supervision. My Research Project was fully sponsored by the USM Research Grant (RU) and the grant number is 1001/PPSP/813068.

This manuscript is English edited by American Journal Experts and confirms for publication. Please kindly find the certificate with this submission. We have made the corrections according to the experts. We believe that the language is acceptable. This article was successfully accepted in March 2015 but due to some unforeseen circumstances this article could not be find in your website. Recently, I have noticed in your website main page that the editor has declared there was some important maintenance went on. On top of that accepted articles are also welcomed to resubmit to your journal. Kindly, please publish our article in your journal as it was already accepted by the editor and we can’t submit the article to anywhere else. We have also attached other relevant files together with the accepted manuscript. Kindly please find those files attached below. Also, please kindly reply to our emails as we have sent number of emails to the editor regarding the status of the article.

We look forward to hear from you with regard to the status of this manuscript and highly welcome for your esteemed comments.

Thank You.

Sincerely,
Ahmad Sukari Halim

Dear author Dr. Ahmad Sukari Halim

Based on the reviewers’ recommendations, I am delighted to inform you that your manuscript

**Mechanism action of platelets and crucial blood coagulation pathways in hemostasis**

has been accepted for publication. You will be contacted by the managing editor for further editing. You will also be asked to proofread the paper before publication. Authors will be offered an opportunity to review edited copy if other than simple grammatical or stylistic alterations are made. Please send us the signed copyright paper which is included the complete name of authors and their affiliation and signature as soon as possible with separate mail to the address of our journal.

Good luck

Editor-in-Chief

International Journal of Hematology-Oncology and Stem Cell Research
EDITORIAL CERTIFICATE

This document certifies that the manuscript listed below was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at American Journal Experts.

Manuscript title:
Mechanism action of platelets and crucial blood coagulation pathways in hemostasis

Authors:
Mercy Halleluyah Periayah, Ahmad Sukari Halim*, Arman Zaharil Mat Saad

Date Issued:
December 3, 2014
